

UPSIDE-DOWNS OF LITTLE LADY LOVEKINS AND OLD MAN MUFFAROO

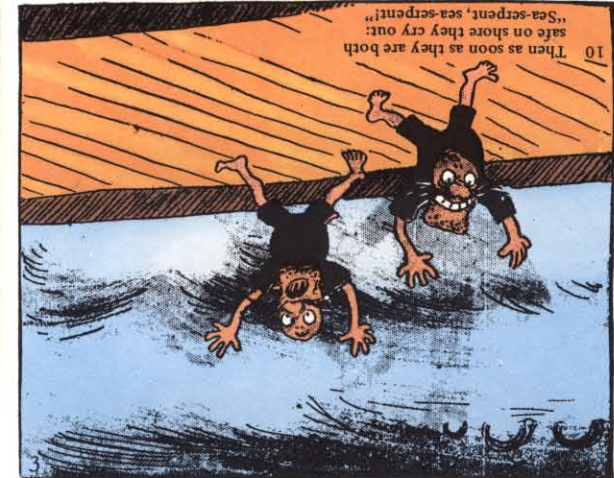

EXCITING TIMES AT THE SEA-SHORE

1 Little Lady Lovekins and Old Man Muffaroo, their bathing-suits in a bag, go down to the beach for a swim.

2 "Let's see who gets into the water first," says Muffaroo, as they step into their little dressing-rooms.

3 Lovekins dives first, with the old man close at her heels. The water is warm, and everything seems just perfect!

4 Lovekins has lots of fun with a piece of driftwood, and a nice woman, whose back hair is loose, plays with her.

5 Suddenly a huge wave breaks over them both. Only the feet of little Lady Lovekins stick out, and only the eyes of the woman.

6 Lovekins quickly bobs up and rides on top of the wave, but Muffaroo, who has not been doused yet, is down below, laughing gaily.
